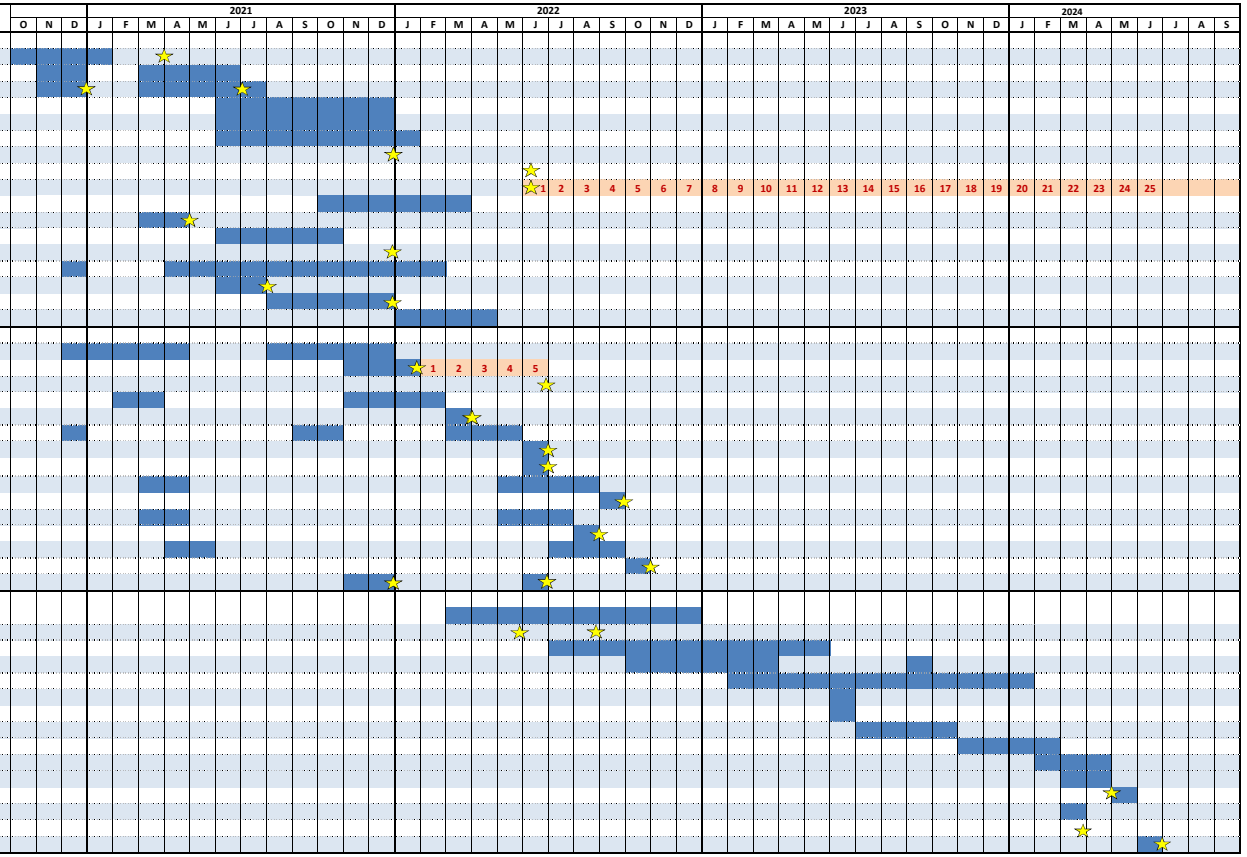
# Centrale Energie SWISS KRONO
# Planning général du projet 2020-2024 - Overall schedule

MàJ du 16/05/2022


| | | Start | End |
|---|---|---|---|
| **Administratifs / Etudes / Contrats / Closing** | **Competitive discussions / contracts / Permitting / Closing** | | |
| Mise en concurrence Swiss Krono / Convention d'Exclusivité | Swiss Krono request for proposal / Exclusivity agreement | | |
| Avant projet détaillé (APD) | Preliminary detailed design | | |
| Offre Dalkia/Meridiam | Dalkia / Merdiam offer (indicative / binding) | | |
| Mise en place structure contractuelle entre SK et Méridiam | Preparation and negociation of contractual package between SK and Meridiam | | |
| Mise en place structure contractuelle entre Dalkia et Méridiam | Preparation and negociation of contractual package between Meridiam and DK | | |
| Montage et bouclage financement projet | Project financial arrangement | | |
| Signature contrat EPC | EPC Conctract signature | | |
| Signature contrats CP, O&M et avenant EPC / Closing 1 | CP and O&M Conctracts signature+ amendment to EPC | | |
| Levées conditions suspensives / Closing 2 | Closing 2 & completion of suspensive conditions | | |
| Etudes de détails et consultations (PRO/DCE ) | Technical specifications & Inquiries | | |
| Préparation et dépôt porter à connaissance en préfecture | Environnemental permit preparation & application | | |
| Recevabilité, compléments, instruction DREAL, échanges | Instruction by the administration / questions & answers / additives | | |
| Arrêté préfectoral complémentaire (APC) | Additionnal environnemental permit | | |
| Etudes générales/Etudes détaillées | General and detailed design studies | | |
| Préparation et dépôt du PC | Preparation & application for building permit | | |
| Instruction du PC & compléments | Building permit examination and additional documents | | |
| Délais de recours PC et APC | Appeal deadline (building permit and environnemental permit) | | |
| **Consultation / Marché de travaux principaux** | **Inquiries / supply and erection contracts** | | |
| Consultation chaudière biomasse | Call for tender Biomass Boiler | | |
| Mise au point et signature contrat chaudière biomasse (LNTP) | Biomass boiler contract signature (Limited Notice To Proceed) | | |
| Confirmation commande chaudière biomasse (FNTP) | Biomass boiler contract (Full Notice To Proceed) | | |
| Consultation lot stockage et manutention biomasse | Fuel handling and storage inquiry | | |
| Mise au point et signature marché lot stockage et manutention biomasse | Fuel handling and storage contract signature | | |
| Consulation chaudière de secours et chaudières de récupération | Back-up boiler & gas turbine heat recovery boiler inquiry | | |
| Mise au point et signature contrat chaudières de récupération | Gas turbine heat recovery boilers contract | | |
| Mise au point et signature contrat chaudière de secours | Back-up boiler contract signature | | |
| Consultation lot terrassemet et GC | Earthwork and civil work inquiry | | |
| Mise au point et signature marché lot GC et terrassement | Earthwork and civil work contract signature | | |
| Consultation lot tuyauteries et utilités | Piping and balance of plant inquiry | | |
| Mise au point et signature marché lots tyauteries et utilités | Piping and balance of plant contract signature | | |
| Consultation lot électricté et SNCC | Electrical work & supervision system inquiry | | |
| Mise au point et signature marché lot électricité et SNCC | Electrical work & supervision system contract signature | | |
| Consultation missions assistance et contrôle techniques + commande | Technical controlers contract | | |
| **Travaux, montages, essais, réception** | **Manufacturing, supply, erection and commissionning** | | |
| Etudes d'exécution | Detailed engineering | | |
| Plan guide GC preliminaire / final | Civil guide drawing (preliminary / final) | | |
| Approvisionnement & fabrication | Purchasing and manufacturing | | |
| Travaux terrassement & GC | Earthwork, foundation and civil work | | |
| Montage chaudière biomasse | Biomass boiler delivery and erection | | |
| Livraison et montage chaudièreq récupération | Recovery boiler delivery and erection | | |
| Livraison et montage chaudière secours | Back-up boiler delivery and erection | | |
| Raccordement chaudière gaz / chaudières de récupération | Recovery boiler and back-up boiler piping & electrical connection | | |
| Essais à froid biomasse | Biomass boiler cold commissionning | | |
| Essais à chaud biomasse | Biomass boiler hot commissionning | | |
| Couplage et essais avec consommateurs de chaleur | Coupling and test with heat consumers | | |
| MSI / marche probatoire chaudière biomasse | Industrial start-up of biomass boiler & trial run period | | |
| Essais chaudière gaz de secours / chaudière de récuperation | Recovery boiler and back-up boiler commissionning | | |
| Mise en service chaudière secours au gaz / chaudière de récupération | Industrial start-up of recovery boiler and back-up boiler | | |
| OPR & Réception travaux | Energy plant acceptance | | |
